**YWCA EL PASO DEL NORTE REGION
REQUEST FOR QUOTATIONS FOR FITNESS EQUIPMENT**

Young Women’s Christian Association El Paso del Norte Region (referred to as YWCA) extends an invitation to bid on the supply, delivery and installation of fitness equipment for YWCA’s Health and Wellness location. This Request for Quotations (RFQ) provides potential respondents with vital background information, description of goods and services needed and guidelines for submitting a response.

Background Information

YWCA is a 501(c)(3) not-for-profit organization formed as a women’s membership movement. YWCA is the largest in the nation, serving almost 30,000 households annually. The organization employs approximately 350 full-time and part-time employees. Revenues include fees for services, proceeds from special events, private foundation grants and approximately \$28 million from federal contracts. YWCA is a non-profit corporation and has been determined to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. A Board of Directors composed of twenty-nine (29) volunteers, the Chief Volunteer Officer being the President of the Board of Directors, governs the organization. The Board of Directors has hired a Chief Executive Officer (CEO) to serve as the person in charge of YWCA’s daily operations. The CEO is ultimately responsible for and oversees the operations of YWCA’s programs, the personnel, the procurement process utilized by YWCA to purchase goods and services, and all financial and compliance matters of the organization.

The work of the agency ties to its mission that states, “The YWCA El Paso del Norte Region is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.” A majority of YWCA’s services focus on the well-being of families, women and children, addressing areas of early childhood education, afterschool and teen programs, affordable housing for seniors and low-income households, health & wellness programs and workforce and leadership development. YWCA is the largest provider of transitional housing for homeless women & their children, and for survivors of sexual and family violence in the region. Far exceeding licensing standards, YWCA is the most-experienced and devoted childcare provider in the region, servicing children of our El Paso community with the utmost care, quality and respect within our seven (7) early learning academies. YWCA is also the largest provider of licensed, high-quality afterschool programs in the region with over thirty (30) locations. Through a contract with Workforce Solutions Borderplex (WSB), the Child Care Services (CCS) Division assists parents in meeting their childcare payments. YWCA also integrates social equality and empowerment activities throughout their existing programs. The organization also offers various community events designed to empower women and eliminate racism.

Administrative offices are located at 201 E. Main St., Suite 400, El Paso, TX 79901. Other facilities are located throughout the city of El Paso. Activities and locations are further detailed in our web site, www.ywcaelpaso.org and on Facebook, Twitter and Instagram.
