YWCA EL PASO DEL NORTE REGION
REQUEST FOR PROPOSALS FOR LICENSED COMMERCIAL REAL ESTATE BROKER SERVICES

Young Women’s Christian Association El Paso del Norte Region (referred to as YWCA) is accepting sealed proposals in response to this RFP for a Licensed Commercial Real Estate Broker to provide real estate brokerage and marketing services for property owned by YWCA located in Las Cruces, New Mexico. It is the intent of this RFP to have the successful broker/firm enter into an exclusive contract with YWCA to market and sell the Las Cruces, NM land property owned by YWCA.

Background Information

YWCA is a 501(c)(3) not-for-profit organization formed as a women’s membership movement. YWCA is the largest in the nation, serving almost 50,000 households annually. The organization employs approximately 380 full-time and part-time employees. Revenues include fees for services, proceeds from special events, private foundation grants and approximately \$22,000,000 from federal contracts. A Board of Directors composed of thirty-two (32) volunteers, the Chief Volunteer Officer being the President of the Board of Directors, governs the organization. The Board of Directors has hired a Chief Executive Officer (CEO) to serve as the person in charge of YWCA’s daily operations. The CEO is ultimately responsible for and oversees the operations of YWCA’s programs, the personnel, the procurement process utilized by YWCA to purchase goods and services, and all financial and compliance matters of the organization.

The work of the agency ties to its mission that states, “The YWCA El Paso del Norte Region is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.” A majority of YWCA’s services focus on the well-being of families, women and children, addressing areas of early childhood education, afterschool and teen programs, affordable housing for seniors and low-income households, health & wellness programs and workforce and leadership development. YWCA is the largest provider of transitional housing for homeless women & their children, and for survivors of sexual and family violence in the region. YWCA is also the largest provider of licensed, high-quality afterschool programs in the region with over 40 locations. Through a contract with Workforce Solutions Borderplex (WSB), the Child Care Services (CCS) Division assists parents in meeting their childcare payments. Last year, WSB Child Care Services supported an average of 5,623 children monthly with a total of \$16,336,352 that was provided to more than 350 childcare providers to subsidize parents’ cost of care. YWCA also provides racial justice training throughout the community and collaborates with many local public and private organizations to meet the needs of our community. Activities are further detailed in our web site, www.ywcaelpaso.org and on Facebook, Twitter and Instagram.
