

YWCA El Paso del Norte Region
Fitness Equipment Supply, Delivery and Installation
RFQ # 22-0201
Questions & Answers

- 1. Layout – Do we need to provide now, or after we are awarded the bid? If so, do we have access to a CAD drawing of the room? In regards to RFQ 22-0201, do you have a CAD of the room or dimensions so we can provide the requested layout?**
Layout plan can be provided after the bid is awarded. The room dimensions are 96 ft. wide by 63 ft. long.
- 2. What type of consoles? Are we planning on any entertainment or connected options?**
A basic console; no need for connection options.
- 3. Cable stack, is it a jungle gym, and if so how many stacks? Or is it a functional trainer?**
Ideally it will be a jungle gym with an 8-stack but a 5-stack can be also presented as an alternate for price comparisons.
- 4. What size dumbbell rack, and how many dumbbells/what sizes?**
One set of dumbbells 5 to 75 lbs. and rack (15 pairs - 5 lbs., 10 lbs., 15 lbs., etc.).
- 5. Curl Bench? Is that a utility bench, or a preacher curl?**
Preacher curl
- 6. Should we provide Olympic plates as well for the benches, and squat racks?**
No
- 7. Should we provide any kettle bells, slam balls, TRX or other accessories?**
No
- 8. Will you require barbells, and clamps to go with them for all the squat racks and Olympic benches?**
No
- 9. Is there any chance to meet with staff virtually to ask about what models they are interested in and also we can help introduce them to our product line?**
YWCA recommends that bidder proposes alternates to demonstrate different levels of quality and/or product lines and list alternates for product lines being proposed.
- 10. How long is the YWCA planning on keeping this equipment? If you plan on keeping for a while, we may want to look at extended warranties?**
YWCA intends to have to keep this equipment as long as possible. We recommend that you provide as an alternate option the cost of extended warranties.
- 11. Also do you have a specific manufacturer you are using for your specifications?**
No
