ywca child care/school age policy
behavioral expectations

Children participating in any YWCA child care program, including day care centers, after-school programs and summer camp are expected to behave in an age-appropriate manner, to be respectful of themselves and others, and demonstrate a pattern that promotes a positive and safe environment for all. Normal and expected standards include, but are not limited to:

- Respect for teachers, recreation staff, and other adults who are responsible for the safety and well-being of all of the children,
- Respect for peers and other children, displaying of appropriate interactions with others, demonstrating tolerance for, and appreciation of, individual differences, and resolving conflicts using non-aggressive methods,
- Respect for physical property, regardless of owner.

Children are encouraged and free to discuss any specific rules with their teachers or activity leaders.

Should a child choose not to adhere to these basic standards, the following steps will be taken:

1) The child will be removed from any situation that may result in an unsafe environment,
2) The adult supervisor may explain why the child is being separated from the other children and engage in a discussion with the child; the discussion will not include yelling, inappropriate language, or other disrespectful behavior;
3) The child may be asked to play or work separately from other children if deemed necessary or advisable by the adult supervisor.

If the inappropriate behavior is isolated, the child may be allowed to rejoin the group if the adult supervisor has reason to believe that the behavior will not be repeated. Should the inappropriate behavior be repeated, the child will remain separate from the other children and the child’s parent or guardian will be contacted.

If, despite the efforts of parents and adult supervisors, the child’s behavior continues to jeopardize either his or her own safety and well being, or that of any other person involved with the YWCA program, the following options are available:

1) The child will be suspended from the program for one week. If, upon return, the behavior continues to jeopardize his or her wellbeing, or the well being of other children or YWCA staff, the child will be permanently dismissed from the program.
2) The child may return to the program only if the legal parent or guardian is in attendance at all times, for a period of three days. If the child’s behavior improves so that his or her behavior no longer jeopardizes the safety and well being of his or her self and/or the other participants, the child may continue to attend without the parent or guardian in attendance. If, in the opinion of the adult supervisors, the child’s behavior is not considered to be appropriate, the child will be dismissed from the program. Every effort will be made to provide parents with a one-week notification of this action.

The child’s legal parent or guardian may request a meeting with the Child Development Center Director, School Age Director and/or the Summer Camp Director. Please refer to the Operational Procedures provided to you at the time of enrollment for additional information.

I have read, understood, and agree to the policy stated above:

Dear Parents/Guardians,

As you know, the YWCA After School Programs received grants to implement our S.T.E.A.M. initiative at our after school sites. These grants were received to provide a new, educational, project-based enrichment activities to our students focusing on science, technology, engineering, art and math, with a focus on mathematics. Our tutors will be implementing these activities/projects daily to students kinder through fifth grade to help them maintain, retain, and build skills to enter the classroom with increased confidence in their abilities to learn the material taught to them by their teachers. Our program and tutors want to ensure that we are doing our best to supplement in-class learning with fun hands-on activities. To show progress to the funding agencies of this initiative, we will track grades via progress reports, report cards, and STAAR test scores. Not only will this allow the S.T.E.A.M. program to continue to be funded but it will also allow my tutors and me to provide the most beneficial enrichment activities to our students and help them grow as they continue their path in learning for the years to come. If you have any questions, feel free to contact me directly at (915) 519-0003 ext. 1334 or via email at p.reyes@ywcaelpaso.org. Thank you for your continued support in helping us help your children through our S.T.E.A.M. program.

Sincerely,

Priscilla Reyes

YWCA S.T.E.A.M. Coordinator

I, ________________________, am the parent/guardian of _______________________, and I give permission to the YWCA staff to collect and track my child's STAAR results, grades through progress reports, report cards and communication with their certified home room teacher and school administrator for grant and funding purposes.
